ON STRIKE AT LAWRENCE 1,900 Skilled Workmen and Laborers

Lawrence, Mass, Aug. 1.—At least 1,900 skilled workmen and laborers employed in the various branches of building construction work were on strike here today, according to officials of the Allied Trades Council who caled the men out yesterday to support a demand of the hod carriers for increased wages. Unions affiliated with the council have a membership totalling 4,500 and leaders claimed the ranks of the strikers would be still further swelled.

work was interrupted today on two big mercantile buildings in course of construction as well as on a new ad-dition to the Kunhardt mill and on new mills for the Whitman company and the Diamond Match company.

A BOSTON PATROLMAN KILLED IN AUTO ACCIDENT Another Patrolman Injured-Machine Crashed Into Bridge.

Boston, Aug. I.—Patrolman Patrick Carr was killed, and Patrolman Daniel Moriarty was injured today when an automobile in which they were hastening to an accident crashed into the side of the bridge connecting Castle Island with South Boston. Carr was thrown into the water after striking the bridge. His companion, notwithstanding his injuries, leaped after him, and kept him afloat until help arrived. Carr died later in the hospital. The accident to which the ocers were rushing was trivial.

DOCUMENTARY EVIDENCE IN SAN FRANCISCO BOMB CASE Secured by Police in Raid Upon Labor Agitators' Rooms.

San Francisco, August 1 .- Docu mentary evidence, sufficient enough to convict those in curredy on 1 charge of causing the bomb explosion ten lays ago during the prepareduess parade, when nine persons were killed and fro-ty injured, is in the hands of the police tedes, according to District Autorney

raid last night by the police on headquarters of the alleged lead of the plot resulted is the conation of the private letter file and er papers of Thomas Mooney, labor gitator, suspected of being enougrned placing the bomb. According to Mr. Fickert, the letter

contain important evidence regarding the explosion, as well as information bearing on the wrecking of the Los Angeles Times building six years ago. In one of the letters written by Mooney just prior to the preparedness wrade, he said, according to Fickert. "if I can pull off what I am planning, I will be the biggest man in San Francsco labor circles."
